

**STEP ONE: My Neighborhood Is**

In this survey, you will help identify the general conditions that currently exist in your neighborhood. Please identify the things you want to protect, preserve, or enhance in your neighborhood. Think about landmarks, paths, districts, activity centers, areas and places. List your ideas under the appropriate category. You may find that some items may fit under more than one heading.

- Landmarks:** Significant physical objects, like buildings or signs.
- Paths:** Routes people use to get to places.
- Activity Centers:** Gathering places to do some activity.
- Districts:** Areas of recognizable character.
- Edges or Barriers:** A limit or boundary that prevents people from enjoying the neighborhood or something in it.
- Features:** Things people like and would like to preserve or enhance.
